Title:	Review of Grades

GUIDING PRINCIPLE

The NBCC is committed to quality learning and teaching.

Learning is measured through the assessment of measurable outcomes as demonstrated in tests, projects, assignments, shop and lab work in addition to a variety of work experiences.

As part of the NBCC's commitment to offering and maintaining academic integrity of student learning, reliable and valid assessment and evaluation tools and processes are implemented.

POLICY STATEMENT

The NBCC assigns course grades in an equitable and accountable process based upon an assessment of achievement of required learning outcomes.

As part of the accountable and equitable process to learning assessment, the student has the right to request a review of their individual learning as well as final course grades.
