<b>Title:</b>	<b>Student Expectation and Responsibilities</b>

---

### **GUIDING PRINCIPLE**

The NBCC believes that learning in an adult education setting offers holistic development of the learner. A climate of collaboration and respect of self, of others and of established rules and regulations is the setting by which an effective environment of learning is established.

Students of the NBCC have fundamental expectations pertaining to their opportunity to learning.

The NBCC recognizes these expectations as well as the responsibility of the student to conduct themselves in an appropriate manner.

As adult learners, students enrol with a serious commitment to learn. Consequently, rules and regulations concerning conduct and discipline are held to a minimum.

### **POLICY STATEMENT**

The NBCC recognizes that, from time to time, the learner may experience difficulty conforming to college rules, and that it may be necessary to impose disciplinary measures for lack of respect for the College's reasonable expectations, for improper behaviour or for lack of respect towards other.

NBCC is authorized to impose disciplinary measures, as it deems reasonable, according to the seriousness of the circumstances, for learners who are found to exhibit improper behaviour or violation of college policy.
